- **University of Northern Iowa** – Construction Management
- **Western Iowa Tech Community College** – Design and Drafting Technology

Other two- or four-year programs with similar curricula may also be considered.

About IABO

IABO is dedicated to promoting public safety and professionalism in the built environment. Our mission includes:

- Providing educational opportunities to both members and the public to ensure safety and well-being through proper design, construction, materials, use, occupancy, and maintenance of buildings.
- Supporting the adoption and understanding of model codes developed by ICC and its affiliates.

- Encouraging innovation in building systems and enhancing code administration professionalism.

With approximately 300 members, including building officials, inspectors, architects, engineers, developers, and private inspectors, IABO is committed to advancing its mission through initiatives like this annual scholarship program.

Scholarship Eligibility

Applicants must meet the following criteria:

- Be a resident of Iowa
- Be a graduate of an Iowa high school (or possess a GED)
- Be admitted to or in good academic standing in one of the eligible programs listed above

Scholarships will be awarded to students entering both two-year and four-year programs.
